PORTFOLIO AND INVESTMENT ACTIVITY

"We remain confident in the resilience of our portfolio, supported by our disciplined focus on core middle-market lending. PIK interest remains low, and our predominantly floating-rate debt portfolio is well positioned to benefit from increasing yields. We remain focused on disciplined underwriting and active portfolio oversight to support sustainable income for our stockholders. We also believe the continued growth of PSSL II is meaningful and should generate substantial earnings over time," said Art Penn, Chairman and CEO.

As of September 30, 2026, our portfolio totaled $2,424.4 million and consisted of $2,147.8 million of first lien secured debt (including $237.7 million in PSSL and $81.4 million in PSSL II), $15.5 million of subordinated debt and $261.1 million of preferred and common equity (including $39.5 million in PSSL and $34.5 million in PSSL II). Our debt portfolio consisted of approximately 99% variable-rate investments. As of September 30, 2026, we had seven portfolio companies on non-accrual, representing 1.8% and 0.7% of our overall portfolio on a cost and fair value basis, respectively. As of September 30, 2026, the portfolio had net unrealized depreciation of $128.1 million. Our overall portfolio consisted of 159 companies with an average investment size of $15.2 million and had a weighted average yield on debt investments of 10.2%.

For the year ended September 30, 2026, PSSL II's sales and repayments totaled $41.0 million.

RESULTS OF OPERATIONS

Set forth below are the results of operations for the three months and year ended September 30, 2026 and 2025.

Investment Income

For the three months and year ended September 30, 2026 investment income was $64.5 million and $266.7 million, respectively, which was attributable to $57.6 million and $239.4 million from first lien secured debt and $6.9 million and $27.3 million from other investments, respectively. For the three months

and year ended September 30, 2025, investment income was $69.0 million and $261.4 million, respectively, which was attributable to $63.6 million and $238.7 million from first lien secured debt and $5.4 million and $22.7 million from other investments, respectively. The decrease in investment income for the three months ended September 30, 2026 was primarily due to lower interest income from the portfolio offset by an increase in dividend and interest income from PSSL and PSSL II. The increase in investment income for the year ended September 30, 2026, was primarily due to an increase in dividends from PSSL and PSSL II.

Expenses

For the three months and year ended September 30, 2026, expenses totaled $39.6 million and $163.4 million, respectively and were comprised of: $24.8 million and $102.7 million of debt related interest and expenses, $6.3 million and $25.9 million of base management fees, $6.2 million and $25.8 million of performance-based incentive fees, $2.2 million and $8.7 million of general and administrative expenses, and $0.1 million and $0.4 million of taxes. For the three months and year ended September 30, 2025, expenses totaled $41.4 million and $154.3 million, respectively and were comprised of: $25.8 million and $96.5 million of debt related interest and expenses, $6.5 million and $23.3 million of base management fees, $6.9 million and $26.0 million of performance-based incentive fees, $2.0 million and $7.5 million of general and administrative expenses and $0.2 million and $0.9 million of taxes. The decrease in expenses for the three months ended September 30, 2026 was primarily due to lower debt related interest and expenses. The increase in expenses for the year ended September 30, 2026, was primarily due to an increase in debt related interest and expense.

Net Investment Income

For the three months and year ended September 30, 2026 net investment income totaled $25.0 million or $0.25 per share, and $103.3 million or $1.04 per share, respectively. For the three months and year ended September 30, 2025, net investment income totaled $27.5 million or $0.28 per share, and $107.2 million or $1.16 per share, respectively. The decrease in net investment income for the three months and year ended September 30, 2026, was primarily due to an increase in debt related interest and expenses, partially offset by an increase in dividends from PSSL and PSSL II.

Net Realized Gains or Losses

For the three months and year ended September 30, 2026 net realized gains (losses) on investments totaled $(6.0) million and $25.3 million, respectively. For the three months and year ended September 30, 2025, net realized gains (losses) on investments totaled $(14.3) million and $(5.9) million, respectively. For the three months and year ended September 30, 2026 the realized loss on debt extinguishments totaled zero and $1.4 million, respectively. For the three months and year ended September 30, 2025, the realized loss on debt extinguishments totaled zero, respectively. The change in net realized gains (losses) was primarily due to changes in the market conditions of our investments and debt and the values at which they were realized caused by fluctuations in the market and in the economy.

Unrealized Appreciation or Depreciation on Investments and Debt

For the three months and year ended September 30, 2026 we reported net change in unrealized appreciation (depreciation) on investments of $(5.3) million and $(82.0) million, respectively. For the three months and year ended September 30, 2025, we reported net change in unrealized appreciation (depreciation) on investments of $5.2 million and $(34.6) million, respectively. As of September 30, 2026 and September 30, 2025, our net unrealized appreciation (depreciation) on investments totaled $(128.1) million and $(46.1) million, respectively. The net change in unrealized appreciation (depreciation) on our investments for the three months and year ended September 30, 2026 compared to the prior year was primarily due to changes in the capital market conditions of our investments and the values at which they were realized, caused by the fluctuations in the market and in the economy.

For the three months and year ended September 30, 2026, our Credit Facility had a net change in unrealized appreciation (depreciation) of less than $0.1 million and less than $0.1 million, respectively. For the three months and year ended September 30, 2025, our Credit Facility had a net change in unrealized appreciation (depreciation) of less than $0.1 million and less than $0.1 million, respectively. As of September 30, 2026 and September 30, 2025, the net unrealized appreciation (depreciation) on the Credit Facility totaled approximately zero and zero, respectively. The net change in net unrealized (appreciation) or depreciation was primarily due to changes in the capital markets.

Net Change in Net Assets Resulting from Operations

For the three months and year ended September 30, 2026, net increase (decrease) in net assets resulting from operations totaled $14.5 million or $0.15 per share and $47.2 million or $0.48 per share, respectively. For the three months and year ended September 30, 2025, net increase (decrease) in net assets resulting from operations totaled $17.5 million or $0.18 per share and $66.4 million, or $0.72 per share, respectively. The decrease in net assets from operations for the three months and year ended September 30, 2026 compared to the prior year was primarily due to greater depreciation of certain portfolio investment primarily driven by changes in the market conditions of certain portfolio investments.

LIQUIDITY AND CAPITAL RESOURCES

Our liquidity and capital resources are derived primarily from cash flows from operations, including income earned, proceeds from investment sales and repayments, and proceeds of securities offerings and debt financings. Our primary use of funds from operations includes investments in portfolio companies and payments of fees and other operating expenses we incur. We have used, and expect to continue to use, our debt capital, proceeds from our portfolio and proceeds from public and private offerings of securities to finance our investment objectives and operations.

For the year ended September 30, 2026 and 2025, the annualized weighted average cost of debt, inclusive of the fee on the undrawn commitment on the Credit Facility, amendment costs and debt issuance costs, was 6.2% and 6.8%, respectively. As of September 30, 2026 and September 30, 2025, we had $509.6 million and $34.1 million of unused borrowing capacity under the Credit Facility, respectively, subject to leverage and borrowing base restrictions.

As of September 30, 2026 and September 30, 2025, we had cash equivalents of $98.8 million and $122.7 million, respectively, available for investing and general corporate purposes. We believe our liquidity and capital resources are sufficient to take advantage of market opportunities.

During the three months and year ended September 30, 2026 we did not issue any shares of our common stock under the ATM Programs. During the three months and year ended September 30, 2025, we issued zero shares and 21,638,000 shares of our common stock through the ATM Program, respectively at an average price of zero and $11.34 per share raising zero and $244.8 million of net proceeds after commissions to the Sales Agents and inclusive of proceeds from the Investment Adviser to ensure that all shares were sold at or above NAV, respectively.

For the year ended September 30, 2026, our operating activities provided cash of $358.9 million and our financing activities used cash of $382.8 million. Our operating activities provided cash primarily due to our investment activities and our financing activities used cash primarily due for repayments of our Credit Facility and 2026 Notes offset by proceeds from the issuance of our 2029 Notes and 2031 Notes.

For the year ended September 30, 2025, our operating activities used cash of $720.6 million and our financing activities provided cash of $731.2 million. Our operating activities used cash primarily for our investment activities and our financing activities provided cash primarily from proceeds from the ATM program, borrowing under our Credit Facility and the issuances of asset-backed debt.

In September 2026, PSSL II upsized its credit facility from $250 million to $325 million.

DISTRIBUTIONS

During the three months and year ended September 30, 2026 we declared distributions of $0.25 and $1.15 per share for total distributions of $24.8 million and $114.4 million, respectively. During the three months and year ended September 30, 2025, we declared distributions of $0.31 and $1.23 per share for total distributions of $30.5 million and $113.9 million, respectively. We monitor available net investment income to determine if a return of capital for tax purposes may occur for the fiscal year. To the extent our taxable earnings fall below the total amount of our distributions for any given fiscal year, stockholders will be notified of the portion of those distributions deemed to be a tax return of capital. Tax characteristics of all distributions will be reported to stockholders subject to information reporting on Form 1099-DIV after the end of each calendar year and in our periodic reports filed with the SEC.

RECENT DEVELOPMENTS

Subsequent to year end, the Company sold approximately $40 million of assets to PSSL II. Following these transactions and other portfolio activity post quarter end, PSSL II's total investment portfolio was approximately $426 million.

FORWARD-LOOKING STATEMENTS AND OTHER

This press release may contain “forward-looking statements” within the meaning of the Private Securities Litigation Reform Act of 1995. You should understand that under Section 27A(b)(2)(B) of the Securities Act of 1933, as amended, and Section 21E(b)(2)(B) of the Securities Exchange Act of 1934, as amended, or the Exchange Act, the “safe harbor” provisions of the Private Securities Litigation Reform Act of 1995 do not apply to forward-looking statements made in periodic reports we file under the Exchange Act. All statements other than statements of historical facts included in this press release are forward-looking statements and are not guarantees of future performance or results, and involve a number of risks and uncertainties. Actual results may differ materially from those in the forward-looking statements as a result of a number of factors, including those described from time to time in filings with the Securities and Exchange Commission. PennantPark Floating Rate Capital Ltd. undertakes no duty to update any forward-looking statement made herein. You should not place undue influence on such forward-looking statements as such statements speak only as of the date on which they are made.

We may use words such as “anticipates,” “believes,” “expects,” “intends,” “seeks,” “plans,” “estimates” and similar expressions to identify forward-looking statements. Such statements are based on currently available operating, financial and competitive information and are subject to various risks and uncertainties that could cause actual results to differ materially from our historical experience and our present expectations.

The information contained herein is based on current tax laws, which may change in the future. The Company cannot be held responsible for any direct or incidental loss resulting from applying any of the information provided in this publication or from any other source mentioned. The information provided in this material does not constitute any specific legal, tax or accounting advice. Please consult with qualified professionals for this type of advice.
