Forward-looking Statements and Risk Factors

This presentation contains "forward-looking statements" within the meaning of the Private Securities Litigation Reform Act of 1995 that relate to future events, performance or financial condition of PennantPark Floating Rate Capital Ltd. ("PFLT") and MCG Capital Corporation ("MCGC"). Statements other than statements of historical facts included in this press release may constitute forward-looking statements and are not guarantees of future performance or results and involve a number of risks and uncertainties. Actual results may differ materially from those in the forward-looking statements as a result of a number of factors, including those described from time to time in filings with the Securities and Exchange Commission. Neither PFLT nor MCGC undertakes any duty to update any forward-looking statement made herein. All forward-looking statements speak only as of the date of this presentation.

However, by their nature, these forward-looking statements involve numerous assumptions, uncertainties and opportunities, both general and specific. The risk exists that these statements may not be fulfilled. We caution readers of this presentation not to place undue reliance on these forward-looking statements as a number of factors could cause future company results to differ materially from these statements.

Forward-looking statements may be influenced in particular by factors such as the ability of the parties to consummate the transaction described in this press release on the expected timeline (or at all), the failure of PFLT or MCGC stockholders to approve the proposed merger, the ability to realize the anticipated benefits of the transaction, the effects of disruption on the companies' business from the proposed merger, the effect that the announcement or consummation of the merger may have on the trading price of the common stock of PFLT or MCGC, the combined company's plans, expectations, objectives and intentions, the other factors described from time to time in the companies' filings with the Securities and Exchange Commission, fluctuations in interest rates and stock indices, the effects of competition in the areas in which we operate, and changes in economic, political and regulatory conditions. We caution that the foregoing list is not exhaustive.

When relying on forward-looking statements to make decisions, investors should carefully consider the aforementioned factors as well as other uncertainties and events. The performance data quoted represents past performance and does not guarantee future results. The performance stated may have been due to extraordinary market conditions, which may not be duplicated in the future. Current performance may be lower or higher than the performance data quoted.

We refer you to the list of risk factors set forth in PFLT's most recent Annual Report on Form 10-K, a copy of which may be obtained on PFLT's website at www.pennantpark.com or the SEC's website at www.sec.gov. Specifically, an investment in PFLT's common stock involves significant risks, including the risk that the secondary market price of PFLT's common stock may decline from the offering price and may be less than PFLT's net asset value per share, as well as the risk that the price of PFLT's common stock in the secondary market may be highly volatile. Please see a discussion of these risks and other related risks in PFLT's most recent Annual Report on Form 10-K under Item 1A - "Risks Relating to an Investment in Our Common Stock".

This presentation contains certain information as is set forth in PFLT's reports on Form 10-K or 10-Q and we direct you to these reports for further information on our business.

IMPORTANT ADDITIONAL INFORMATION AND WHERE TO FIND IT

This communication is being made in respect of the proposed business combination involving PFLT and MCGC. In connection with the proposed transaction, PFLT plans to file with the SEC a Registration Statement on Form N-14 that includes proxy statements of PFLT and MCGC and that also constitutes a prospectus of PFLT. The definitive Joint Proxy Statement/Prospectus will be mailed to stockholders of PFLT and MCGC. INVESTORS AND SECURITY HOLDERS OF PFLT AND MCGC ARE URGED TO READ THE JOINT PROXY STATEMENT/PROSPECTUS AND OTHER DOCUMENTS FILED WITH THE SEC CAREFULLY IN THEIR ENTIRETY WHEN THEY BECOME AVAILABLE BECAUSE THEY WILL CONTAIN IMPORTANT INFORMATION ABOUT THE PROPOSED TRANSACTION.

Investors and security holders will be able to obtain free copies of the Registration Statement and Joint Proxy Statement/Prospectus (when available) and other documents filed with the SEC by each of PFLT and MCGC through the web site maintained by the SEC at www.sec.gov. Free copies of the Registration Statement and Joint Proxy Statement/Prospectus (when available) and other documents filed with the SEC can also be obtained on PFLT's website at www.pennantpark.com or on MCGC's website at www.mcgcapital.com.

PROXY SOLICITATION

PFLT and MCGC and their respective directors, executive officers and certain other members of management and employees may be deemed to be participants in the solicitation of proxies from PFLT and MCGC stockholders in respect of the acquisition. Information regarding the persons who may, under the rules of the SEC, be considered participants in the solicitation of the PFLT and MCGC stockholders in connection with the proposed acquisition will be set forth in the Joint Proxy Statement/Prospectus when it is filed with the SEC. You can find information about PFLT's executive officers and directors in its definitive proxy statement filed with the SEC on November 26, 2014. You can find information about MCGC's executive officers and directors in its Annual Report on Form 10-K/A for the year ended December 31, 2014 filed with the SEC on April 29, 2015. You can obtain free copies of these documents from PFLT and MCGC in the manner set forth above.

This presentation does not constitute an offer to sell or the solicitation of an offer to buy nor will there be any sale of securities in any jurisdiction in which such offer, solicitation or sale would be unlawful prior to the registration or qualification under the securities laws of such jurisdiction. A registration statement relating to these securities will be filed with the Securities and Exchange Commission, and the securities may not be sold until the registration statement becomes effective. Investors are advised to carefully consider the investment objectives, risks and charges and expenses of PFLT before investing in its securities.

Section I. Proposed Transaction & Rationale

The Acquisition

- ◆ PFLT was founded in 2011 to provide middle market senior secured floating rate loans to our sponsor and corporate clients and attractive and stable returns to investors
- ◆ PFLT has performed well since inception
 - Since 2013 PFLT has had a total return of 33% compared to a total return of 18% for the BDC index ⁽¹⁾ and a total return of (2%) for the senior secured floating rate BDCs ⁽²⁾
- ◆ The acquisition of MCGC should enable PFLT to better capture the middle market opportunity for our borrowers and shareholders
 - More relevant for borrowers due to broader platform
 - Larger float and liquidity for shareholders
 - Economies of scale
- ◆ Approximately 70% of MCGC's assets are cash as of April 1, 2015
- ◆ PFLT has valued each of MCGC's four remaining investments and is comfortable with current marks
 - All four investments are debt investments that have debt / EBITDA ratios below 4.0x, which is consistent with PFLT's existing portfolio

Key Benefits of Combination and Synergies

- ◆ Almost doubles market capitalization, creating more float and liquidity for shareholders
- ◆ Elimination of duplicative public company expenses
- ◆ Increases scale and competitive relevance with financial sponsors and other borrowers
- ◆ Larger asset base enables greater diversification within the overall portfolio as well as economies of scale
- ◆ Enhanced scale benefiting float and liquidity while spreading fixed costs over a larger asset base
- ◆ Serves as a “synthetic equity” raise without NAV dilution to PFLT shareholders (before typical deal expenses)
- ◆ Permits MCGC stockholders to maintain ongoing participation in the combined company and resume monthly dividend participation

Shareholders will continue to benefit from a proven credit manager that has had a track record of consistent and growing dividends
