

**Tax Character of Distribution Payable on October 3, 2022**

The tax character of the \$0.095 per share distribution payable by PennantPark Floating Rate Capital Ltd. (the “Company”) on October 3, 2022 to stockholders of record as of September 19, 2022 is set forth below. For tax purposes, the Company is a regulated investment company and is designating the tax character of the distribution you receive as a stockholder.

Percentage	Amount	Description
15%	\$0.014	Distribution has been identified by the Company as being derived from other sources and is <u>not exempt</u> from U.S. Nonresident withholding tax.
85%	\$0.081	Distribution has been identified by the Company as an interest-related dividend generally <u>exempt</u> from U.S. Nonresident withholding tax.

The Company, which operates as a regulated investment company (“RIC”), generates qualified interest income and short-term capital gains that may be exempt from U.S. withholding tax when distributed to non-U.S. stockholders. The U.S. tax law permits a RIC to report the portion of distribution paid that represents interest-related dividends as exempt from U.S. withholding tax when paid to non-U.S. stockholders with proper documentation.
