It is understood that each Underwriter has authorized the Representative, for its account, to accept delivery of, receipt for, and make payment of the purchase price for, the Securities that it has agreed to purchase. The Representative may (but shall not be obligated to) make payment of the purchase price for the Securities to be purchased by any Underwriter whose funds have not been received by the Closing Time, but such payment shall not relieve such Underwriter from its obligations hereunder.

(xix) Absence of Proceedings. Except as disclosed in the Registration Statement, the General Disclosure Package and the Prospectus, there is no action, suit, proceeding or, to the knowledge of the Company, inquiry or investigation before or brought by any Governmental Entity now pending or, to the knowledge of the Company, threatened, against or affecting the Company or any of the Subsidiaries, which would reasonably be expected to result in a Material Adverse Effect, or which would reasonably be expected to materially and adversely affect the consummation of the transactions contemplated in this Agreement, the Investment Management Agreement, the Indenture, the Securities or the DTC Agreement or the performance by the Company of its obligations hereunder or thereunder.

The Company and the Subsidiaries are in compliance with the terms and conditions of all Governmental Licenses, except where the failure so to comply would not reasonably be expected, singly or in the aggregate, to result in a Material Adverse Effect. All of the Governmental Licenses are valid and in full force and effect, except when the invalidity of such Governmental Licenses or the failure of such Governmental Licenses to be in full force and effect would not reasonably be expected, singly or in the aggregate, to result in a Material Adverse Effect. Neither the Company nor any of the Subsidiaries has received any notice of proceedings relating to the revocation or modification of any Governmental Licenses which, singly or in the aggregate, if the subject of an unfavorable decision, ruling or finding, would reasonably be expected to result in a Material Adverse Effect.

(xxiii) Title to Property. The Company and the Subsidiaries do not own any real property; and all of the leases and subleases material to the business of the Company and the Subsidiaries, considered as one enterprise, and under which the Company or any of the Subsidiaries holds properties, are in full force and effect, and neither the Company nor any such Subsidiary has received any notice of any material claim of any sort that has been asserted by anyone adverse to the rights of the Company or any Subsidiary under any of the leases or subleases mentioned above, or affecting or questioning the rights of the Company or such Subsidiary to the continued possession of the leased or subleased premises under any such lease or sublease.

(xxiv) Possession of Intellectual Property. Except as would not reasonably be expected, singly or in the aggregate, to have a Material Adverse Effect, the Company and the Subsidiaries own or possess, or can acquire on reasonable terms, adequate patents, patent rights, licenses, inventions, copyrights, know-how (including trade secrets and other unpatented and/or unpatentable proprietary or confidential information, systems or procedures), trademarks, service marks, trade names or other intellectual property (collectively, “Intellectual Property”) necessary to carry on the business now operated by them, and neither the Company nor any of the Subsidiaries has received any notice or is otherwise aware of any infringement of or conflict with asserted rights of others with respect to any Intellectual Property or of any facts or circumstances which would render any Intellectual Property invalid or inadequate to protect the interest of the Company or any of the Subsidiaries therein, and which infringement or conflict (if the subject of any unfavorable decision, ruling or finding) or invalidity or inadequacy, singly or in the aggregate, would reasonably be expected to result in a Material Adverse Effect.

(xxv) Accounting Controls. The Company, on a consolidated basis, maintains a system of internal control over financial reporting (as defined under Rule 13a-15(f) and 15d-15(f) under the rules and regulations of the Commission under the 1934 Act (such rules and regulations, the “1934 Act Regulations”)) and a system of internal accounting controls sufficient to provide reasonable assurances that (A) transactions are executed in accordance with management’s general or specific authorization; (B) transactions are recorded as necessary to permit preparation of financial statements in conformity with GAAP and to maintain accountability for assets; (C) access to the Company’s consolidated assets is permitted only in accordance with management’s general or specific authorization; and (D) the recorded accountability for assets is compared with the existing assets at reasonable intervals and appropriate action is taken with respect to any differences. Except as described in the Registration Statement, the General Disclosure Package and the Prospectus, since the end of the Company’s most recent audited fiscal year, there has been (1) no material weakness in the Company’s internal control over financial reporting (whether or not remediated) and (2) no change in the Company’s internal control over financial reporting that has materially affected, or is reasonably likely to materially affect, the Company’s internal control over financial reporting (it being understood that the Company is not as of the date hereof required to comply with the auditor attestation requirements under Section 404 of the Sarbanes Oxley Act of 2002).

(xxvi) Taxes and Tax Returns. All United States federal income tax returns of the Company and the Subsidiaries required by law to have been filed by them (taking into account any applicable extensions) have been filed and all taxes shown by such returns or otherwise assessed, which are due and payable, have been paid, in each case, except assessments against which appeals have been or will be promptly taken and as to which adequate reserves have been provided or insofar as the failure to do so would not reasonably be expected, singly or in the aggregate, to result in a Material Adverse Effect. The United States federal income tax returns of the Company through the fiscal year ended September 30, 2024 have been filed, and no assessment in connection therewith has been made against the Company. The Company and the Subsidiaries have filed all other tax returns that are required to have been filed by them (taking into account any applicable extensions) pursuant to applicable foreign, state, local or other law and have paid all taxes due pursuant to such returns or pursuant to any assessment received by the Company and the Subsidiaries, except for such taxes, if any, as are being contested in good faith and as to which adequate reserves have been established by the Company or, in each case, insofar as the failure to pay such taxes or file such returns would not reasonably be expected to result in a Material Adverse Effect. The charges, accruals and reserves on the books of the Company in respect of any income and corporation tax liability for any years not finally determined are adequate to meet any current assessments or re-assessments for additional income tax for any years not finally determined, except to the extent of any inadequacy that would not reasonably be expected to result in a Material Adverse Effect.

(xxvii) Insurance. The Company and the Subsidiaries carry or are entitled to the benefits of insurance, with financially sound and reputable insurers, in such amounts and covering such risks as the Company reasonably believes is prudent, and all such insurance is in full force and effect. The Company has no reason to believe that it or any of the Subsidiaries will not be able (A) to renew its existing insurance coverage as and when such policies expire or (B) to obtain comparable coverage from similar institutions as may be necessary or appropriate to conduct its business as now conducted and at a cost that would not reasonably be expected to result in a Material Adverse Effect.

(xxviii) Investment Company Act. The Company is not required and, upon the issuance and sale of the Securities as herein contemplated and the application of the net proceeds therefrom as described in the Prospectus, will not be required to register as an “investment company” as such term is used in the 1940 Act.

(xxix) Stabilization and Manipulation. The Company has not taken, nor will it take, directly or indirectly, without giving effect to any activities by the Underwriters, any action designed, or that would reasonably be expected, to cause or result in, or that constitutes, any stabilization or manipulation of the price of the Securities, other than activity permitted pursuant to Rule 10b-18 under the 1934 Act.

(xxx) Anti-Bribery. (i) Neither the Company nor any Subsidiary, or to the Company’s knowledge, any director, officer, employee or any agent or representative of the Company in its capacity as agent or representative of the Company, has taken or will take any action in furtherance of an offer, payment, promise to pay, or authorization or approval of the payment, giving or receipt of money, property, gifts or anything else of value, directly or indirectly, to any government official (including any officer or employee of a government or government-owned or controlled entity or of a public international organization, or any person acting in an official capacity for or on behalf of any of the foregoing, or any political party or party official or candidate for political office) (“Governmental Official”) in order to influence official action, or to any person in violation of any applicable anti-corruption laws, (ii) the Company and its Subsidiaries have conducted their businesses in material compliance with applicable anti-corruption laws and have instituted and maintained and will continue to maintain policies and procedures designed to promote and achieve compliance with such laws and with the representation and warranty contained herein; and (iii) neither the Company nor any of the Company’s Subsidiaries will use, directly or indirectly, the proceeds of the offering in furtherance of an offer, payment, promise to pay, or authorization of the payment or giving of money, or anything else of value, to any person in violation of any applicable anti-corruption laws.

(xxxi) Anti-Money Laundering. The operations of the Company and its Subsidiaries are and have been conducted at all times in material compliance with all applicable financial recordkeeping and reporting requirements, including those of the Bank Secrecy Act, as amended by Title III of the Uniting and Strengthening America by Providing Appropriate Tools Required to Intercept and Obstruct Terrorism Act of 2001 (USA PATRIOT Act), and the Currency and Foreign Transactions Reporting Act of 1970, as amended, and the applicable anti-money laundering statutes of jurisdictions where the Company and its Subsidiaries conduct business, the rules and regulations thereunder and any related or similar rules, regulations or guidelines, issued, administered or enforced by any governmental agency (collectively, the “Anti-Money Laundering Laws”), and no action, suit or proceeding by or before any court or governmental agency, authority or body or any arbitrator involving the Company or any of its Subsidiaries with respect to the Anti-Money Laundering Laws is pending or, to the best knowledge of the Company, threatened.

(xxxii) Sanctions.

- i. Neither the Company nor any of the Company's Subsidiaries (collectively, the "Company Entity") or, to the Company's knowledge, any director or officer of the Company Entity or any employee of the Company Entity or any agent or representative of the Company Entity in its capacity as an agent or representative of the Company Entity is an individual or entity ("Person") that is, or is owned or controlled by a Person that is:

(iii) Registration Under Advisers Act. The Adviser is duly registered with the Commission as an investment adviser under the Advisers Act and is not prohibited by the Advisers Act or the 1940 Act from acting under the Investment Management Agreement for the Company as contemplated by the Registration Statement, the General Disclosure Package and the Prospectus. The execution, delivery and performance of this Agreement, the performance of the Investment Management Agreement and the consummation of the transactions contemplated herein and therein and in the Registration Statement, the General Disclosure Package and the Prospectus (including the issuance and sale of the Securities and the use of the proceeds from the sale of the Securities as described therein under the caption "Use of Proceeds") and compliance by the Adviser with its

obligations hereunder and thereunder do not and will not, whether with or without the giving of notice of passage of time or both, conflict with or constitute a breach of, or default under, or result in the creation or imposition of any lien, charge or encumbrance upon any properties or assets of the Adviser or pursuant to, the Adviser Agreements and Instruments (except for such conflicts, breaches, defaults, events or conditions giving the holder of any note, debenture or other evidence of indebtedness (or any person acting on such holder's behalf) the right to require the repurchase, redemption or repayment of all or a portion of such indebtedness by the Adviser, or liens, charges or encumbrances that would not reasonably be expected, singly or in the aggregate, to result in an Adviser Material Adverse Effect), nor will such action result in any violation of the provisions of (a) the limited liability company agreement of the Adviser, or (b) any applicable law, statute, rule, regulation, judgment, order, writ or decree of any arbitrator, court, governmental body, regulatory body, administrative agency or other authority, body or agency having jurisdiction over the Adviser or any of its properties, assets or operations except, in the case of (b) above, for any violation that would not reasonably be expected, singly or in the aggregate, to result in an Adviser Material Adverse Effect.

(c) that if, at the time of this Agreement is executed and delivered, it is necessary for any post-effective amendment to the Registration Statement to be declared effective before the Securities may be sold, the Company will endeavor to cause such post-effective amendment to become effective as soon as possible, and the Company will advise you promptly and, if requested by you, will confirm such advice in writing, when such post-effective amendment has become effective;

(d) advise you promptly, and, if requested, confirm such advice in writing, of any request by the Commission for amendments or supplements to the Registration Statement or the Prospectus or for additional information with respect thereto, or of notice of institution of proceedings for, or the entry of a stop order, suspending the effectiveness of the Registration Statement and, if the Commission should enter a stop order suspending the effectiveness of the Registration Statement, to use its commercially reasonable efforts to obtain the lifting or removal of such order as soon as possible; to advise you promptly of any proposal to amend or supplement the Registration Statement, the Preliminary Prospectus or the Prospectus, and to provide you and Underwriters' counsel copies of any such documents for review and comment a reasonable amount of time prior to any proposed filing and to file no such amendment or supplement to which you shall reasonably object in writing (unless such filing is required to maintain compliance with the 1933 Act or the 1940 Act), and to file with the Commission within the applicable period specified in Rule 424 under the 1933 Act any prospectus required to be filed pursuant to such Rule;

(e) without the prior consent of the Representative, (i) to not distribute any offering material related to the offering of the Securities other than the Registration Statement, the General Disclosure Package, the Prospectus or the information set forth on Schedule B hereto, and (ii) to not make any offer relating to the Securities that would constitute a "free writing prospectus" as defined in Rule 405 under the 1933 Act (other than for the information set forth on Schedule B hereto), and which the parties agree, for the purposes of this Agreement, includes (x) any "advertisement" as defined in Rule 482 under the 1933 Act; and (y) any sales literature, materials or information provided to investors by, or with the approval of, the Company in connection with the marketing of the offering of the Securities, including any in-person roadshow or investor presentations (including slides and scripts relating thereto) made to investors by or on behalf of the Company;

(f) to furnish to you and to each of the other Underwriters, only to the extent not otherwise available on the Commission's EDGAR system, for a period of one year from the date of this Agreement (i) copies of any reports, proxy statements, or other communications which the Company shall send to its stockholders or shall from time to time publish or publicly disseminate, (ii) copies of all annual, quarterly and current reports filed with the Commission on Forms 10-K, 10-Q and 8-K, or such other similar forms as may be designated by the Commission, (iii) copies of documents or reports filed with any national securities exchange on which any class of securities of the Company is listed or quoted and (iv) such other information as you may reasonably request regarding the Company;

(g) to furnish to you as early as practicable prior to the Closing Time, but not later than two business days prior thereto, a copy of the latest available unaudited interim and monthly consolidated financial statements, if any, of the Company which have been read by the Company's independent certified public accountants, as stated in their letter to be furnished pursuant to Section 6(c) hereof; provided, however, that this requirement to furnish any such information shall be subject to compliance with applicable law;

(h) if necessary or appropriate, to file a registration statement pursuant to Rule 462(b) under the 1933 Act;

(i) to advise the Underwriters promptly of the happening of any event within the time during which a prospectus relating to the Securities is required to be delivered under the 1933 Act which could require the making of any change in the Preliminary Prospectus (prior to availability of the Prospectus) or the Prospectus then being used so that the General Disclosure Package or the Prospectus would not include an untrue statement of material fact or omit to state a material fact necessary to make the statements therein, in the light of the circumstances under which they are made, not misleading, and, during such time, subject to Section 5(d) hereof, to prepare, at the Company's expense, and thereafter, at the Underwriters' expense, and furnish to the Underwriters promptly such amendments or supplements to such preliminary prospectus (prior to availability of the Prospectus) or Prospectus as may be necessary to reflect any such change;

(j) that, as soon as practicable, the Company will make generally available to its security holders an earnings statement or statements of the Company which will satisfy the provisions of Section 11(a) of the 1933 Act and Rule 158 under the 1933 Act;

(k) upon request, the Company will promptly deliver to each Underwriter and Kirkland & Ellis LLP, counsel for the Underwriters, a signed copy of the Registration Statement, as initially filed and all amendments thereto, including all consents and exhibits filed therewith;

(l) to apply the net proceeds from the sale of the Securities in the manner set forth under the caption "Use of Proceeds" in the Preliminary Prospectus and the Prospectus;

(m) the Company will use its commercially reasonable efforts to maintain its status as a business development company; provided, however, the Company may change the nature of its business so as to cease to be, or to withdraw its election as, a business development company, with the approval of the board of directors and a vote of stockholders as required by Section 58 of the 1940 Act or any successor provision;

(n) that the Company will use its commercially reasonable efforts to maintain its qualification and election as a regulated investment company under Subchapter M of the Code for each full fiscal year during which it is a business development company under the 1940 Act; provided that, at the discretion of the Company's board of directors, the Company may elect not to be so treated;

(o) to pay all costs, expenses, fees and taxes incident to the performance of its obligations hereunder, including (i) the preparation and filing of the Registration Statement, the Preliminary Prospectus, the Prospectus, and any amendments or supplements thereto, and the printing and furnishing of copies of the Preliminary Prospectus and Prospectus to the Underwriters and to dealers (including costs of mailing and shipment), (ii) the registration, issue, sale and delivery of the Securities, including the fees, disbursements and expenses of the Company's counsel and accountants incurred in connection therewith, and any stock or transfer taxes and stamp or similar duties payable upon the sale, issuance or delivery of the Securities to the Underwriters, (iii) the qualification of the Securities for offering and sale under state or foreign laws and the determination of their eligibility for investment under state or foreign law as aforesaid (including the reasonable and documented out-of-pocket legal fees and filing fees and other disbursements of counsel for the Underwriters) and the furnishing of copies of any blue sky surveys or legal investment surveys to the Underwriters and to dealers, (iv) the fees and expenses of the Trustee for the Securities, (v) any filing for review of the public offering of the Securities by FINRA, including the reasonable and documented out-of-pocket legal fees and filing fees and other disbursements of counsel to the Underwriters, (vi) attending or hosting meetings with prospective purchasers of the Securities, including all travel expenses of the Company's officers, directors, employees and affiliates and any other expense of the Company incurred in connection therewith; (vii) the fees and disbursements of any transfer agent or registrar for the Securities, and (viii) the performance of the Company's other obligations hereunder which are not specifically provided for in this Section 5(o). It is understood, however, that except as provided in this Section, Section 8 and Section 9, the Underwriters will pay all of their costs and expenses, including fees and disbursements of their counsel, stock transfer taxes payable in respect of any of the Securities and any advertising expenses connected with any offers they may make. It is further understood that, in the event that this agreement is terminated prior to payment for and delivery of the Securities, the Underwriters will be reimbursed, subject to Section 8, only for actual, accountable out-of-pocket expenses which they have incurred in connection with the transactions contemplated by this Agreement; and

(p) until the Closing Time, the Company will not, without the prior written consent of the Representative, (i) directly or indirectly, offer, pledge, sell, contract to sell, sell any option or contract to purchase, purchase any option or contract to sell, grant any option, right or warrant to purchase or otherwise transfer or dispose of any debt securities issued or guaranteed by the Company or any securities convertible into or exercisable or exchangeable for debt securities issued or guaranteed by the Company or file any registration statement under the 1933 Act with respect to any of the foregoing or (ii) enter into any swap or any other agreement or any transaction that transfers, in whole or in part, directly or indirectly, the economic consequence of ownership of debt securities issued or guaranteed by the Company or any such other securities, without the prior written consent of the Representative on behalf of the Underwriters, other than the Securities to be sold hereunder.

6. Conditions of the Underwriters' Obligations. The several obligations of the Underwriters hereunder are subject to the accuracy of the representations and warranties on the part of the Company and the Adviser on the date hereof and at the Closing Time, the performance by the Company and the Adviser of each of its obligations hereunder and to the following additional conditions precedent:

(a) The Representative shall have received at the Closing Time, an opinion and negative assurance letter of Dechert LLP, outside counsel for the Company and the Adviser addressed to the Underwriters, and dated the Closing Time, in form and substance reasonably satisfactory to counsel for the Underwriters. The opinion of Dechert LLP described in this Section 6(a) shall be rendered to the Underwriters at the request of the Company and shall so state therein.

(b) The Representative shall have received an opinion of Venable LLP, special counsel for the Company, addressed to the Underwriters, and dated the Closing Time, in form and substance reasonably satisfactory to counsel for the Underwriters. The opinion of Venable LLP described in this Section 6(b) shall be rendered to the Underwriters at the request of the Company and shall so state therein.

(c) The Representative shall have received from RSM US LLP letters dated, respectively, the Applicable Time and the Closing Time, and addressed to the Underwriters in the forms heretofore approved by the Representative containing statements and information of the type ordinarily included in accountants' "comfort letters" to underwriters with respect to the financial statements and certain financial information contained in the Registration Statement, the Preliminary Prospectus and the Prospectus.

(d) The Representative shall have received at the Closing Time the favorable opinion and negative assurance letter of Kirkland & Ellis LLP, counsel for the Underwriters, dated the Closing Time with respect to the sale of the Securities and other related matters as the Underwriters may require.

(e) At or prior to the Closing Time, the Company and the Trustee shall have executed and delivered the Supplemental Indenture and the Securities.

(f) Prior to the Closing Time, (i) no stop order with respect to the effectiveness of the Registration Statement shall have been issued under the 1933 Act or, to the Company's knowledge, proceedings initiated under Section 8(d) or 8(e) of the 1933 Act; (ii) the Registration Statement and all amendments thereto shall not contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading; and (iii) the Prospectus, as then amended or supplemented, shall not contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they are made, not misleading.

(g) Between the time of execution of this Agreement and the Closing Time, no material adverse change or any development involving a prospective material adverse change in the business, properties, management, financial condition or results of operations of the Company, the Subsidiary or the Adviser, taken as a whole, shall occur or become known.

(h) Between the time of execution of this Agreement and the Closing Time, there shall not have been any decrease in or withdrawal of the rating of any securities of the Company or any of its Subsidiaries by any “nationally recognized statistical rating organization” (as defined in Section 3(a)(62) of the 1934 Act) or any notice given of any intended or potential decrease in or withdrawal of any such rating or of a possible change in any such rating that does not indicate the direction of the possible change.

(i) Each of the Company and the Adviser will, at the Closing Time, deliver to you a certificate of its Chief Executive Officer and Chief Financial Officer in the form attached as Annex B hereto.

(j) The Company shall have furnished to you such other documents and certificates as to the accuracy and completeness of any statement in the Registration Statement, the General Disclosure Package and the Prospectus as of the Closing Time, as the Representative may reasonably request.

7. Termination. The obligations of the several Underwriters hereunder shall be subject to termination in the absolute discretion of the Representative, if (x) since the time of execution of this Agreement or the earlier respective dates as of which information is given in the Registration Statement, the Preliminary Prospectus and the Prospectus, there has been any material adverse change or any development involving a prospective material adverse change in the business, properties, management, financial condition, prospects or results of operations of the Company or the Adviser, taken as a whole, which would, in the Representative’s judgment or in the judgment of such group of Underwriters, make it impracticable or inadvisable to proceed with the public offering or the delivery of the Securities on the terms and in the manner contemplated in the Registration Statement, the Preliminary Prospectus and the Prospectus, or (y) since execution of this Agreement, there shall have occurred: (i) a suspension or material limitation in trading in securities generally on the New York Stock Exchange or the Nasdaq Global Select Market; (ii) a suspension or material limitation in trading in the Company’s securities on the New York Stock Exchange; (iii) a general moratorium on commercial banking activities declared by either federal or New York State authorities or a material disruption in commercial banking or securities settlement, payment or clearance services in the United States; (iv) an outbreak or escalation of hostilities or acts of terrorism involving the United States or a declaration by the United States of a national emergency or war; or (v) any other calamity or crisis or any change in financial, political or economic conditions in the United States or elsewhere, if the effect of any such event specified in clause (iv) or (v) in the Representative’s judgment or in the judgment of such group of Underwriters makes it impracticable or inadvisable to proceed with the public offering or the delivery of the Securities on the terms and in the manner contemplated in the Registration Statement, the Preliminary Prospectus and the Prospectus.

If the sale to the Underwriters of the Securities, as contemplated by this Agreement, is not carried out by the Underwriters for any reason permitted under this Agreement, or if such sale is not carried out because the Company shall be unable to comply with any of the terms of this Agreement, the Company shall not be under any obligation or liability under this Agreement (except to the extent provided in Section 5(o) and Section 9 hereof), and the Underwriters shall be under no obligation or liability to the Company under this Agreement (except to the extent provided in Section 9 hereof) or to one another hereunder.

8. Increase in Underwriters' Commitments. Subject to Sections 6 and 7 hereof, if any Underwriter shall default in its obligation to take up and pay for the Securities to be purchased by it hereunder (otherwise than for a failure of a condition set forth in Section 6 hereof or a reason sufficient to justify the termination of this Agreement under the provisions of Section 7 hereof) and if the aggregate principal amount of Securities which all Underwriters so defaulting shall have agreed but failed to take up and pay for does not exceed 10% of the aggregate principal amount of Securities to be purchased, the non-defaulting Underwriters shall take up and pay for (in addition to the aggregate principal amount of Securities they are obligated to purchase pursuant to Section 1 hereof) the aggregate principal amount of Securities agreed to be purchased by all such defaulting Underwriters, as hereinafter provided. Such aggregate principal amount of Securities shall be taken up and paid for by such non-defaulting Underwriters in such amount or amounts as the Representative may designate with the consent of each Underwriter so designated or, in the event no such designation is made, such aggregate principal amount of Securities shall be taken up and paid for by all non-defaulting Underwriters pro rata in proportion to the aggregate principal amount of Securities set opposite the names of such non-defaulting Underwriters in Schedule A.

Without relieving any defaulting Underwriter from its obligations hereunder, the Company agrees with the non-defaulting Underwriters that it will not sell any Securities hereunder unless all of the Securities are purchased by the Underwriters (or by substituted Underwriters selected by you with the approval of the Company or selected by the Company with your approval).

If a new Underwriter or Underwriters are substituted by the Underwriters or by the Company for a defaulting Underwriter or Underwriters in accordance with the foregoing provision, the Company or you shall have the right to postpone the Closing Time for a period not exceeding five business days in order that any necessary changes in the Registration Statement and the Prospectus and other documents may be effected.

The term Underwriter as used in this Agreement shall refer to and include any Underwriter substituted under this Section 8 with like effect as if such substituted Underwriter had originally been named in Schedule A.

If the aggregate principal amount of Securities which the defaulting Underwriter or Underwriters agreed to purchase exceeds 10% of the total aggregate principal amount of Securities which all Underwriters agreed to purchase hereunder, and if neither the non-defaulting Underwriters nor the Company shall make arrangements within the five business day-period stated above for the purchase of all the Securities which the defaulting Underwriter or Underwriters agreed to purchase hereunder, this Agreement shall terminate without further act or deed and without any liability on the part of the Company to any non-defaulting Underwriter (except as provided in Section 9) and without any liability on the part of any non-defaulting Underwriter to the Company. Nothing in this paragraph, and no action taken hereunder, shall relieve any defaulting Underwriter from liability in respect of any default of such Underwriter under this Agreement.

9. Indemnity and Contribution.

(a) The Company agrees to indemnify, defend and hold harmless each Underwriter, its partners, directors and officers, and any person who controls any Underwriter within the meaning of Section 15 of the 1933 Act or Section 20 of the 1934 Act, each affiliate of any Underwriter within the meaning of Rule 405 under the 1933 Act that is involved in the offering of the Securities, and the successors and assigns of all of the foregoing persons, from and against any loss, damage, expense, liability or claim (including the reasonable cost of any investigation incurred in connection therewith) which, jointly or severally, any such Underwriter or any such person may incur under the 1933 Act, the 1934 Act, the common law or otherwise, insofar as such loss, damage, expense, liability or claim arises out of or is based upon (i) any untrue statement or alleged untrue statement of a material fact contained in the Registration Statement (or in the Registration Statement as amended by any post-effective amendment thereof by the Company), the General Disclosure Package, any Offering Materials or the Prospectus (as amended or supplemented by the Company), or arising out of or based upon any omission or alleged omission to state a material fact required to be stated in either the Registration Statement, the General Disclosure Package, any Offering Materials or the Prospectus or necessary to make the statements made therein not misleading, except insofar as any such loss, damage, expense, liability or claim arises out of or is based upon any untrue statement or alleged untrue statement of a material fact contained in and in conformity with information concerning such Underwriter furnished in writing by or on behalf of such Underwriter through the Representative to the Company expressly for use in the Registration Statement, the General Disclosure Package, any Offering Materials or the Prospectus, it being understood and agreed that the only such information is that set forth in Section 10, or arising out of or based upon any omission or alleged omission to state a material fact in connection with such information required to be stated in the Registration Statement, the General Disclosure Package, any Offering Materials or the Prospectus or necessary to make such information not misleading or (ii) any untrue statement or alleged untrue statement made by the Company in Section 3 hereof or the failure by the Company to perform when and as required any agreement or covenant contained herein.

(b) The Adviser agrees to indemnify, defend and hold harmless each Underwriter and each other person specified in subsection (a) of this Section 9 from and against any loss, damage, expense, liability or claim (including the reasonable cost of any investigation incurred in connection therewith) any such Underwriter or any such other person may incur as specified in such subsection, insofar as such loss, damage, expense, liability or claim arises out of or is based upon (x) any untrue statement or alleged untrue statement of a material fact contained in the

Registration Statement (or in the Registration Statement as amended by any post-effective amendment thereof by the Company), the General Disclosure Package, any Offering Materials or the Prospectus (as amended or supplemented by the Company) or arising out of or is based upon any omission or alleged omission to state a material fact required to be stated in either the Registration Statement, the General Disclosure Package, any Offering Materials or the Prospectus or necessary to make the statements made therein not misleading or (y) any untrue statement or alleged untrue statement made by the Adviser in Section 4 hereof.

(c) Each Underwriter severally and not jointly agrees to indemnify, defend and hold harmless the Company and the Adviser, their directors, partners and officers, and any person who controls the Company or the Adviser within the meaning of Section 15 of the 1933 Act or Section 20 of the 1934 Act, and the successors and assigns of all of the foregoing persons, from and against any loss, damage, expense, liability or claim (including the reasonable cost of any investigation incurred in connection therewith) which, jointly or severally, the Company or the Adviser, or any such person may incur under the 1933 Act, the 1934 Act, the common law or otherwise, insofar as such loss, damage, expense, liability or claim arises out of or is based upon any untrue statement or alleged untrue statement of a material fact contained in and in conformity with information concerning such Underwriter furnished in writing by or on behalf of such Underwriter through the Representative to the Company expressly for use in the Registration Statement (or in the Registration Statement as amended by any post-effective amendment thereof by the Company), the General Disclosure Package or the Prospectus, or arises out of or is based upon any omission or alleged omission to state a material fact in connection with such information required to be stated in the Registration Statement, the General Disclosure Package or the Prospectus or necessary to make such information not misleading, it being understood and agreed that the only such information is that set forth in Section 10.

(d) In case any proceeding (including any governmental investigation) shall be instituted involving any person in respect of which indemnity may be sought pursuant to Section 9(a), 9(b) or 9(c), such person (the "indemnified party") shall promptly notify the person against whom such indemnity may be sought (the "indemnifying party") in writing and the indemnifying party, upon request of the indemnified party, shall retain counsel reasonably satisfactory to the indemnified party to represent the indemnified party and any others the indemnifying party may designate in such proceeding and shall pay the fees and disbursements of such counsel related to such proceeding. In any such proceeding, any indemnified party shall have the right to retain its own counsel, but the fees and expenses of such counsel shall be at the expense of such indemnified party unless (i) the indemnifying party and the indemnified party shall have mutually agreed to the retention of such counsel or (ii) the named parties to any such proceeding (including any impleaded parties) include both the indemnifying party and the indemnified party and representation of both parties by the same counsel would be inappropriate due to actual or potential differing interests between them. It is understood that the indemnifying party shall not, in respect of the legal expenses of any indemnified party in connection with any proceeding or related proceedings in the same jurisdiction, be liable for the fees and expenses of more than one separate firm (in addition to any local counsel) for all such indemnified parties and that all such fees and expenses shall be reimbursed as they are incurred. Such firm shall be designated in writing by the Representative, in the case of parties indemnified pursuant to Section 9(a) or 9(b), and by the Company, in the case

of parties indemnified pursuant to Section 9(c). The indemnifying party shall not be liable for any settlement of any proceeding effected without its written consent, but if settled with such consent or if there be a final judgment for the plaintiff, the indemnifying party agrees to indemnify the indemnified party from and against any loss or liability by reason of such settlement or judgment. Notwithstanding the foregoing sentence, if at any time an indemnified party shall have requested an indemnifying party to reimburse the indemnified party for fees and expenses of counsel as contemplated by the second and third sentences of this paragraph, the indemnifying party agrees that it shall be liable for any settlement of any proceeding effected without its written consent if (i) such settlement is entered into more than 45 days after receipt by such indemnifying party of the aforesaid request, (ii) such indemnifying party shall have received notice of the terms of such settlement at least 30 days prior to such settlement being entered into and (iii) such indemnifying party shall not have reimbursed the indemnified party in accordance with such request prior to the date of such settlement. No indemnifying party shall, without the prior written consent of the indemnified party, effect any settlement of any pending or threatened proceeding in respect of which any indemnified party is or could have been a party and indemnity could have been sought hereunder by such indemnified party, unless (i) such settlement includes an unconditional release of such indemnified party from all liability on claims that are the subject matter of such proceeding and (ii) does not include a statement as to or an admission of fault, culpability or a failure to act by or on behalf of any indemnified party.

(a) If the indemnification provided for in this Section 9 is unavailable to an indemnified party under subsections (a), (b) and (c) of this Section 9 or insufficient to hold an indemnified party harmless in respect of any losses, damages, expenses, liabilities or claims referred to therein, then each applicable indemnifying party shall contribute to the amount paid or payable by such indemnified party as a result of such losses, damages, expenses, liabilities or claims (i) in such proportion as is appropriate to reflect the relative benefits received by the Company and the Adviser on the one hand and the Underwriters on the other hand from the offering of the Securities or (ii) if the allocation provided by clause (i) above is not permitted by applicable law, in such proportion as is appropriate to reflect not only the relative benefits referred to in clause (i) above but also the relative fault of the Company and the Adviser on the one hand and of the Underwriters on the other in connection with the statements or omissions which resulted in such losses, damages, expenses, liabilities or claims, as well as any other relevant equitable considerations. The relative benefits received by the Company and the Adviser on the one hand and the Underwriters on the other shall be deemed to be in the same respective proportions as the total proceeds from the offering (net of underwriting discounts and commissions but before deducting expenses) received by the Company and the total underwriting discounts and commissions received by the Underwriters, bear to the aggregate public offering price of the Securities. The relative fault of the Company and the Adviser on the one hand and of the Underwriters on the other shall be determined by reference to, among other things, whether the untrue statement or alleged untrue statement of a material fact or omission or alleged omission to state a material fact relates to information supplied by such party and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission. The amount paid or payable by a party as a result of the losses, damages, expenses, liabilities and claims referred to in this subsection shall be deemed to include any legal or other fees or expenses reasonably incurred by such party in connection with investigating, preparing to defend or defending any proceeding.

(b) The Company and the Adviser and the Underwriters agree that it would not be just and equitable if contribution pursuant to this Section 9 were determined by pro rata allocation (even if the Underwriters were treated as one entity for such purpose) or by any other method of allocation that does not take account of the equitable considerations referred to in subsection (d) above. Notwithstanding the provisions of this Section 9, no Underwriter shall be required to contribute any amount in excess of the amount by which the total price at which the Securities underwritten by such Underwriter and distributed to the public were offered to the public exceeds the amount of any damage which such Underwriter has otherwise been required to pay by reason of such untrue statement or alleged untrue statement or omission or alleged omission. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the 1933 Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. The Underwriters' obligations to contribute pursuant to this Section 9 are several in proportion to their respective underwriting commitments and not joint.

(c) The indemnity and contribution agreements contained in this Section 9 and the covenants, warranties and representations of the Company and the Adviser contained in this Agreement shall remain in full force and effect regardless of any investigation made by or on behalf of any Underwriter, its partners, directors or officers or any person (including each partner, officer or director of such person) who controls any Underwriter within the meaning of Section 15 of the 1933 Act or Section 20 of the 1934 Act, or any affiliate of any Underwriter within the meaning of Rule 405 under the 1933 Act that is involved in the Offering, or any successors or assigns of all of the foregoing persons, or by or on behalf of the Company, its directors or officers or any person who controls the Company within the meaning of Section 15 of the 1933 Act or Section 20 of the 1934 Act, and shall survive any termination of this Agreement or the issuance and delivery of the Securities. The Company and the Adviser agree promptly to notify each Underwriter of the commencement of any proceeding against it and, in the case of the Company or the Adviser, against any of the Company's officers or directors or the Adviser or its partners or officers in connection with the issuance and sale of the Securities or in connection with the Registration Statement, the Preliminary Prospectus or the Prospectus; provided, however, that the omission to so notify such Underwriter shall not relieve such Underwriter from any liability which such Underwriter may have to the Company or the Adviser, or any such person or otherwise.

(d) Notwithstanding anything in this Agreement to the contrary, any indemnification and contribution by the Company shall be subject to the requirements and limitations of Section 17(i) of the 1940 Act and any applicable guidance from the Commission or its staff thereunder.

10. Information Furnished by the Underwriters. The Company acknowledges that, for purposes of this Agreement, (i) the names of the underwriters set forth in the table following the first paragraph under the heading "Underwriting", (ii) the sentences relating to concessions, and (iii) the first, second, fifth and seventh sentences under the heading "Underwriting—Price Stabilization, Short Positions" in the Preliminary Prospectus and the Prospectus constitute the only information furnished by or on behalf of the several Underwriters for inclusion in the Preliminary Prospectus and the Prospectus.

11. Notices. Except as otherwise herein provided, all statements, requests, notices and agreements shall be in writing or by telegram and, if to the Underwriters, shall be sufficient in all respects if delivered or sent to Raymond James & Associates, Inc. at 880 Carillon Parkway, St. Petersburg, Florida 33716, Attention: Larry M. Lett; and, if to the Company or the Adviser shall be sufficient in all respects if delivered or sent to the Company at the offices of the Company at 1691 Michigan Avenue, Suite 500, Miami Beach, Florida 33139, facsimile no. (212) 905-1075, Attention: Arthur Penn, Chief Executive Officer, and a copy, which shall not constitute notice to Dechert LLP, One International Place, 40th Floor, 100 Oliver Street, Boston, MA 02110-2605, attention of Thomas J. Friedmann and Ross MacConnell.

12. Governing Law; Construction. This Agreement and any claim, counterclaim or dispute of any kind or nature whatsoever arising out of or in any way relating to this Agreement (“Claim”), directly or indirectly, shall be governed by, and construed in accordance with, the laws of the State of New York applicable to contracts formed and to be performed entirely within the State of New York, without regard to the applicability or effect of conflict of law principles or rules thereof, to the extent such principles would require or permit the application of the laws of another jurisdiction. The section headings in this Agreement have been inserted as a matter of convenience of reference and are not a part of this Agreement.

13. Submission to Jurisdiction. Except as set forth below, no Claim may be commenced, prosecuted or continued in any court other than the courts of the State of New York located in the City and County of New York or in the United States District Court for the Southern District of New York, which courts shall have jurisdiction over the adjudication of such matters, and each of the Company and the Adviser consents to the jurisdiction of such courts and personal service with respect thereto. Each of the Company and the Adviser hereby consents to personal jurisdiction, service and venue in any court in which any Claim arising out of or in any way relating to this Agreement is brought by any third party against the Representative or any indemnified party. Each of the Representative, the Company (on its behalf and, to the extent permitted by applicable law, on behalf of its stockholders and affiliates) and the Adviser waives all right to trial by jury in any action, proceeding or counterclaim (whether based upon contract, tort or otherwise) in any way arising out of or relating to this Agreement. Each of the Company and the Adviser agrees that a final judgment in any such action, proceeding or counterclaim brought in any such court shall be conclusive and binding upon the Company and the Adviser, as appropriate, and may be enforced in any other courts to the jurisdiction of which the Company and the Adviser, as appropriate, is or may be subject, by suit upon such judgment.

14. Parties at Interest. The Agreement herein set forth has been and is made solely for the benefit of the Underwriters and the Company and to the extent provided in Section 9 hereof the controlling persons, partners, directors, officers and affiliates referred to in such section, and their respective successors, assigns, heirs, personal representatives and executors and administrators. No other person, partnership, association or corporation (including a purchaser, as such purchaser, from any of the Underwriters) shall acquire or have any right under or by virtue of this Agreement.

15. Counterparts. This Agreement may be signed by the parties in one or more counterparts which together shall constitute one and the same agreement among the parties. Counterparts may be delivered via facsimile, electronic mail (including any electronic signature covered by the U.S. federal ESIGN Act of 2000, Uniform Electronic Transactions Act, the Electronic Signatures and Records Act or other applicable law, e.g., www.docusign.com) or other transmission method and any counterpart so delivered shall be deemed to have been duly and validly delivered and be valid and effective for all purposes.

16. Successors and Assigns. This Agreement shall be binding upon the Underwriters, the Company and the Adviser and their successors and assigns and any successor or assign of any substantial portion of the Company's and the Adviser's and any of the Underwriters' respective businesses and/or assets.

17. Acknowledgement.
