

Tax Character of Distribution Payable on July 1, 2026

The tax character of the \$0.0833 per share distribution, comprised of an \$0.08 per share base dividend and \$0.0033 per share supplemental dividend payable by PennantPark Floating Rate Capital Ltd. (the “Company”) on July 1, 2026, to stockholders of record as of June 15, 2026, is set forth below. For tax purposes, the Company is a regulated investment company and is designating the tax character of the distribution you receive as a stockholder.

Percentage	Amount	Description
10%	\$0.00833	Distribution has been identified by the Company as being derived from other sources and is <u>not exempt</u> from U.S. Nonresident withholding tax.
90%	\$0.07497	Distribution has been identified by the Company as an interest-related dividend generally <u>exempt</u> from U.S. Nonresident withholding tax.

The Company, which operates as a regulated investment company (“RIC”), generates qualified interest income and short-term capital gains that may be exempt from U.S. withholding tax when distributed to non-U.S. stockholders. The U.S. tax law permits a RIC to report the portion of distribution paid that represents interest-related dividends as exempt from U.S. withholding tax when paid to non-U.S. stockholders with proper documentation.
